Boosting EU-Bangladesh Business Ties

The unified voice of European businesses in Bangladesh

About EuroCham Bangladesh

The European Union Chamber of Commerce in Bangladesh (EuroCham) is the official platform representing European business interests, promoting trade, investment, and sustainable economic cooperation between the European Union and Bangladesh.

The Chamber started its journey in December 2024 with the support of the EU Delegation and EU Member States. EuroCham is a registered European Business Organisation (EBO) under the European Business Organisation Worldwide Network (EBOWN)—connecting over 50 European chambers globally.

Mission, Vision & Positioning

To give European companies in Bangladesh a unified voice and platform to promote sustainable growth through policy advocacy, business-friendly environments, and collaborative economic and social progress.

To establish a level playing field for European businesses in Bangladesh by becoming the leading platform for economic resilience, sustainable growth, and innovative collaboration between Europe and Bangladesh.

EuroCham Bangladesh bridges European business excellence with Bangladesh's dynamic growth story, advocating for a business-friendly environment that supports sustainable investment and economic transformation.

Strategic Focus

Advancing a business-friendly ecosystem for European investors

Facilitating increased European investment in Bangladesh

Representing Bangladesh's economic interests in Brussels

Core Mandate

Policy Advocacy

EuroCham Bangladesh serves as a structured advocacy platform representing European business interests, driving regulatory reform through coordinated engagement with the Government of Bangladesh, the EU Delegation, and the private sector.

Business Facilitation

The Chamber supports European businesses in navigating the Bangladesh market through targeted market intelligence, regulatory insights, and strategic guidance. It facilitates B2B connections, investment linkages, and sectoral engagements, while assisting new market entrants in understanding the local regulatory landscape.

Networking & Events

EuroCham Bangladesh organises high-level events that strengthen institutional engagement and business collaboration. It convenes flagship forums and policy dialogues to drive collaboration between industry, government, and EU stakeholders.

Publications & Thought Leadership

EuroCham strengthens visibility, thought leadership, and policy influence by delivering strategic insights, policy briefs, and business intelligence through publications such as a monthly newsletter, surveys, the upcoming EuroCham Magazine, and topic-based white papers, informing decision-making and advocacy.

EU-Bangladesh Engagement

EuroCham plays a strategic bridging role in aligning EU business priorities with Bangladesh's economic and policy landscape, advancing a business-friendly ecosystem for European investors. It facilitates EU-Bangladesh trade relations by communicating EU business interests in both Dhaka and Brussels.

Advisory Council

The Advisory Council, composed of H.E. the EU Ambassador to Bangladesh and the Ambassadors of eight EU Member States, provides strategic guidance and ensures alignment with EU trade, investment, and diplomatic priorities — reinforcing EuroCham's institutional credibility and policy influence.
